

Lindisfarne Cricket Club – 2022/23 Player Registrations

Beginning this cricket season (2022/23), Cricket Australia has introduced and mandated the use of a new online club cricket management platform – PlayHQ:

www.playhq.com

As a result, all LCC participants are required to create a PlayHQ user account and register thru the new platform for the start of the season and before their first game.

Juniors/children wishing to play **Hurricanes Junior league** and/or **Woolworths Cricket Blast** programs are also required to be registered via PlayHQ; however, this is to be done via their parent/guardian.

Here is the main PlayHQ registration page to register for the various competitions/programs Lindisfarne Cricket Club is involved in: <https://www.playhq.com/cricket-australia/org/lindisfarne-cricket-club/9115a1f5/register>

You can also register via the Lindisfarne Cricket Club 'Play Cricket' webpage:

<https://play.cricket.com.au/club/lindisfarne-cricket-club/bf7123ea-86d8-eb11-a7ad-2818780da0cc>

Cricket Australia has also begun requiring all senior cricketers registering for their club on PlayHQ to also sign up for a Cricket Australia "Cricket ID". However, you will be prompted during your initial PlayHQ registration process about this; and provided with links to register for that at the time.

At the end of the PlayHQ player registration process, you will also be prompted to enter credit/debit card details in order to make payment of:

- * Cricket Australia National player registration fee
- * LCC player subscription costs (*see table below for details*)

If you are experiencing financial difficulty, and full upfront payment of the above costs isn't possible; please speak to club administrator (Marcus Bray) or someone from the LCC board asap.

Or, directly contact club treasurer – Debbie Grice: secretary.lindisfarnecc@gmail.com

If you are having trouble completing the registration process; we suggest first taking a look at the following 'PlayHQ [player registration walkthrough page](#)'.

It includes both text/screenshots, as well as a helpful video demonstration.

There is also a PDF document guide [available here](#)

If you are still unable to register yourself or your child; please contact LCC Club Administrator – **Marcus Bray** at clubadmin.lindisfarnecc@protonmail.com
